

SHORTLISTED APPLICANTS IN SECOND ROUND OF BUSINESS PLAN INNOVATION CHALLENGE

Tanzania Digital Innovation Youth Empowerment Programme (TADIYE) is an innovation and entrepreneurship ecosystem development initiative, designed to inspire and promote technology-based young start up entrepreneurs in Tanzania. The project is funded by the Royal Danish Embassy in Tanzania and implemented through Dar Teknohama Business Incubator (DTBi) in collaboration with two other key partners; Magilatech Company Limited and Institute for Management and Entrepreneurship Development (IMED).

The project objective is to address youth (including marginalized young women) unemployment challenges by equipping them with business, entrepreneurship and digital literacy and skills that will enable them to take advantage of opportunities offered in a digital economy to generate wealth, create jobs and increase the number of sustainable enterprises.

TADIYE program launched the second round of the Business Plan Innovation Challenge on 24th of June 2019 by issuing a public advertisement through local newspapers, TADIYE Website and TADIYE social media i.e. Facebook, Instagram, Twitter and through Business Entrepreneurship skills platform (BESP) for the intended beneficiaries to submit their applications.

At the closing date, more than 1400 applications were received through BESP application portal. On the other hand, more than 2500 applications were not submitted successful since they did not meet the basic criteria set including completion of at least 5 modules out of the 8 modules of the BESP

TADIYE program successfully reviewed all received applications basing on the criteria set and below are the business ideas/ projects applicants who have been successful shortlisted for 2 days training and 1day pitching and 1 day for award event (from Tuesday, 3rd September to Friday 6th September 2019 that will be conducted in Dar es salaam at COSTECH Building, Kijitonyama.
